

CLASS SPECIFICATION
County of Fairfax, Virginia

CLASS CODE: 5363

TITLE: ASSISTANT SUPERVISORY ENGINEERING INSPECTOR

GRADE: S-22

DEFINITION:

Under limited supervision, assists with the supervision of a group of engineering inspectors as a lead worker; performs a variety of difficult and specialized public utilities inspections involving the exercise of independent judgment and initiative; provides technical advisory services to the general public and lower-level inspectors; and performs related work as required.

DISTINGUISHING CHARACTERISTICS OF THE CLASS:

The Assistant Supervisory Engineering Inspector differs from the Supervising Engineering Inspector in that the Assistant Supervisory Engineering Inspector serves as lead worker, assigning and reviewing the work of a group of engineering inspectors, whereas the Supervising Engineering Inspector serves as first-line supervisor.

The Assistant Supervisory Engineering Inspector differs from the Senior Engineering Inspector in that the Assistant Supervisory Engineering Inspector serves as lead worker, assigning and reviewing the work of a group of engineering inspectors, whereas the Senior Engineering Inspector performs difficult and specialized public utilities inspections.

ILLUSTRATIVE DUTIES:

Assigns and reviews work of engineering inspectors;
Trains inspector staff;
Coordinates field inspections and advises inspectors on difficult problems;
Reviews plans, specifications and sites for construction projects;
Inspects underground drains, metal and concrete pipe drains, culverts, sanitary sewer lines, manholes, catch basins, and water lines;
Inspects pumping stations under construction;
Inspects street and road construction including subgrading, placing of materials and rock, oiling and placing of final surfaces;
Investigates complaints;
Makes check by measurement to see that necessary lines, grades and elevations are followed and that structures are of proper dimensions;
Measures and computes items such as rock, sheeting and pavement restoration when work is under County contract;
Makes final inspections and gives approval after corrections are made;
Makes daily progress and approval reports, resolves routine complaints, maintains field logs and records;
Manages field office in supervisor's absence.

CLASS CODE: 5363

TITLE: ASSISTANT SUPERVISORY ENGINEERING INSPECTOR

GRADE: S-22
